

## Limitation Errors – Licensing, Schedules, & Evaluation Copy

### **Schedule Limit Reached. Only allowed to configure 100 Schedules! “Warning”**

IDaxxess allows a maximum of 100 Schedules.

### **The Evaluation Copy only allows 2 active People. “Error”**

The “Evaluation Copy” of the software is limited to only two People records. The “Evaluation” limitations have been reached.

### **The limitation of the License has been reached. This product is currently licensed for %d Active Persons. “Error”**

IDaxxess is limited (by license file) to a certain number of active People records. This limit has been reached. Contact your sales representative to purchase a capacity upgrade.
